Identity

After Auto-AI 1st pass, this tape is identified as 1977-0311-University-Maryland-Baltimore. Part of a 1st pass already existed for that lecture. The auro-transcription, edited, was pasted in the relevant sections there on Dec 28, 2024. This version is better quality audio than U. Maryland.

Auto-transcription done at Rev.Com. The auto-trans will NOT be pasted to this page (1975-1119-Boston-College-misnamed), to avoid duplication.

Old notes

This is a different lecture than was published with the same title in Direct-Mind Experience.

On Dec 7, 2024 the first 14:50 mins of dw2 was auto-transcribed on HappyScribe to use up remaining minutes.

The remainder of dw2, plus dw3 and dw4 were done at Rev.Com

This tape has two different dates/names 1) 1975-1119-Lecture-at-Boston-College-from-DME and 2) 1977-0311-University-Maryland-Baltimore.

There are 4 versions under 1975-1119-Lecture-at-Boston-College: BM, DM, DW, MJ

and 7 versions under the name 1977-0311-University-Maryland-Baltimore: BM (misdated), BM2, DM (misdated), DM2, DW (misdated), DW2, GH

This version is better quality audio than U. Maryland.

B. Marshall's tapes and D. Mettle's tapes are both labeled 1975-1119-Boston-College. This has a redirect to 1975-1119-Lecture-at-Boston-College-from-DME

MJ has both versions (same audio, different audio quality).

To do

Check all versions and rename any versions that are misnamed. Make notes on how resolved.

Notes

At min 9:45 side 1 Rose mentions Gary Gilmore, who was executed Jan 19, 1977. This is a hard date. Talk cannot be 11/19/1975.

Gilmore's murder trial was October 5, 1976, so he wasn't even convicted to death in Nov. 1975
