Note

This page is the code for the template to be used on the **receiving** page.

To get this code, open this page with the Edit link and copy the markup between the NOEDIT tags (which you will see only on the edit). Paste this into the new "Article" page.

Changes

The field "DVD Number" is now unnecessary. Originally DVD #1 was the collection from Jake and DVD #2 was the collection that Steve converted from tapes from an anonymous donor. However, in the second release the talks were sorted by date - DVD #1 was "1970s and Undated" and DVD #2 was "1980s and 1990s".
