Rose's amazement with Burns

From: 1986-0307-Are-You-a-Robot-Baltimore

"And this man talked for six hours without stopping. If I had had a tape recorder and taped it I would consider it my most prized possession. The wisdom that came out of that man was infinite. Of course, a lot of it was parables. Metaphorical."

Candidates for this talk:

1981-1127-or-1129-Rose-and-Burns-at-Farm < most likely, very intense, and this meetup was the earlier of the two.
