1978-0406-Group-Meeting-with-Rose-Pittsburgh - << First pass << Use this

- Original title was "1978-0406-Meeting" (Pittsburgh}
- In the title: "with Rose" was added by SH to avoid the implication it was a group meeting without him.
- But this is a lecture, not a group meeting
- Rose says "there are 40 or 50 people here" but this was toward the end.

This is a missing tape that has the same date as the next above.

However, the subject matter identified so far does not match the title.

Files: missing or under different name.

To Do

- Reexamine and reconcile the original file names: MJ, SN, DM, BM, any other
- Complete transcript of 1978-0406-Group-Meeting-with-Rose-Pittsburgh < no, redirected
- This was redirected to 1978-0406-Zen-The-Most-Perfect-Psychoanalysis-Pitt on Feb 21, 2015.

- Compare all the other recordings with that transcript.

This is good stuff

And should be published.
